

# Joe Biden's Presidency

## ONE MONTH ON

We analysed all **31 Executive Orders** issued by President Joe Biden in the first month of his Presidency. By running the contents through the [OSDG tool](#), we established the main *United Nations Sustainable Development Goals* (SDGs) to which they have contributed.

## What were the main policy priorities addressed by President Joe Biden?

### Key policy priorities

The most frequently addressed policy priorities in the Executive Orders are the **strengthening of institutions and justice systems** (related to Goal 16), **good health and wellbeing** (related to Goal 3), as well as **support for sustainable communities** (related to Goal 11). [READ MORE →](#)

Find the full list of policy priorities provided below. For further details, please consult [our website](#).

### Full results from OSDG

### What are the SDGs?

The **Sustainable Development Goals** (SDGs), also known as the Global Goals, were adopted by all **United Nations Member States** in 2015 as a universal call to action to end poverty, protect the planet and ensure that all people enjoy peace and prosperity by 2030.
